

The National Weather Station, LLC

Meteorological Consulting, Weather Forecasting & Analysis

OWN AND OPERATE YOUR OWN WEATHER SERVICE!

OWN A FRANCHISE OF AN ESTABLISHED, WELL KNOWN WEATHER SERVICE.

The National Weather Station has franchises, available for sale.

Select your geographic area of interest. You will have the right to use our company name - The National Weather Station, a company with a proven track record of providing customized forecasts to industry and government - since 1986. We will provide you with training to start and run your weather business.

Also included in the sale of the franchise:

- 1.) Exclusive rights to your selected region of coverage.
- 2.) Guidance and training in setting up your weather operations.
- 3.) Training for marketing the services for your franchise will be provided - including proven methods for obtaining customers.

Training will be provided by a CCM and Fellow of the American Meteorological Society (AMS) who has extensive, proven experience and with whom we have an alliance.

The contiguous United States geographic locations are broken up for sale as follows:

*Maine, New Hampshire, Vermont, Massachusetts and Rhode Island=5 states.

*Maryland, West Virginia, Virginia, North Carolina and South Carolina=5 states.

*Wisconsin, Michigan, Illinois, Indiana and Ohio=5 states.

*Kentucky, Tennessee, Mississippi, Alabama, Georgia and Florida=6 states.

*Minnesota, Iowa, Nebraska, Kansas and Missouri=5 states.

*Texas, Oklahoma, Arkansas and Louisiana=4 states.

*Montana, Idaho, Wyoming, North Dakota and South Dakota=5 states.

*Colorado, Utah, Arizona and New Mexico=4 states.

*California, Nevada, Oregon and Washington=4 states.

*Alaska=1 state.

*Hawaii=1 state.

(the rest of the country is already "covered" by our New Jersey office)

Cost per 4 to 6 state group (per above) is \$50,000. (Alaska and Hawaii, \$50,000 each)

PLEASE NOTE, you can "configure" the states to your liking, example: the group of states you would like may not necessarily be in the above grouping, you may want TX, OK, KS and MO, etc. ALSO, if you want to purchase more than one group, you can buy ALL groups or part of all groups and therefore, there would be a reduction in price, example, instead of 2 "groups" of 4 or 5 states, the cost would not be 2 X \$50,000 would not be \$100,000 but would be reduced to \$90,000. Greater reductions with more group purchases, example: 5 groups would cost only \$200,000. For complete details, please e-mail Dan Ventola at dan@nationalweatherstation.com or call 201-288-1824. Our main office is headquartered at Teterboro Airport in northern New Jersey, just outside of New York City.
