BE YOUR OWN BOSS! IF YOU LOVE METEOROLOGY, WHETHER IT'S FORECASTING, CONSULTING FOR OTHER WEATHER-RELATED SERVICES SUCH AS AVIATION WEATHER CLIMATE STUDY, CLIMATE STUDY, OR WHAT EVER METEOROLOGICAL INTEREST YOU HAVE, THIS IS FOR YOU. WE HAVE MADE IT EASIER TO OWN AND OPERATE YOUR OWN WEATHER CONSULTING SERVICE! Reduced pricing, more flexible states/geographic regions to buy. OWN A FRANCHISE OF AN ESTABLISHED, WELL KNOWN WEATHER SERVICE.

The National Weather Station has franchises, available for sale.

Select your geographic area of interest ANY state or group of states in the United States. You will have the right to use our company name which is copyrighted - "The National Weather Station", a company with a proven track record of providing customized forecasts to industry and government...and more! - since 1986. We will provide you with training to start and run your weather business.

Also included in the sale of the franchise:

- 1.) Exclusive rights to your selected region of coverage.
 - 2.) Guidance and training in setting up your weather operations.
 - 3.) Training for marketing the services for your franchise will be provided - including proven methods for obtaining customers. (no clients automatically come with the purchase, you will sign on clients on your own, no guarantees of clients come with this)
- Training will be provided by a CCM and Fellow of the American Meteorological Society (AMS) who has extensive, proven experience and with whom we have an alliance.

Pricing for purchase of a franchise:

Pick the state you are interested in having your business.

Example: Montana or Florida or you can buy groups of states such as Florida, Georgia and Alabama or California alone or California, Arizona and Nevada...the one state or combination of states to buy is up to you. When it comes to smaller states such as Delaware and Maryland, that can be considered "one state" and would be priced accordingly. The states that are not available are New Jersey, Eastern New York, Connecticut the eastern half of Pennsylvania and New Jersey as our own "The National Weather Station is based in New Jersey, we have the above mentioned states that we provide our services to.

All other states available nationwide at the cost of \$15,000. each. You can buy just 1 state or 20 or 40! It's up to you. For more information on pricing and all other questions/comments you have, please email me at dan@nationalweatherstation.com or storm1dv@verizon.net or call me at 201-288-1824.

We are located near New York City, over in northern New Jersey at Teterboro Airport in northern N.J.

Thank you.
