

*A Special Offer for Members of the  
National Weather Association*

# weatherwise

America's only magazine devoted to weather provides intriguing articles and spectacular photographs that showcase the power, beauty, and excitement of weather. **Weatherwise** presents the latest discoveries and hot topics in meteorology and climatology and focuses on the connection between weather and technology, history, culture, art, and society.

Each issue features expert columnists who answer readers' questions; explore weather history; review weather-related books, videos, or products; test readers' forecasting skills; and summarize recent weather events. Popular features include the Annual Photo Contest issue, a sensational gallery of prizewinning weather photography submitted by readers, and the Almanac issue which takes a look back at the year's most interesting weather stories.

For additional information about **Weatherwise**, visit the magazine's website at: [www.weatherwise.org](http://www.weatherwise.org)

**One-year print and online  
subscription: \$35**
